Construction Notice

St. Sebastian's Hospital wants to give its patients the best care possible. ^{~하기 위해} **In order to** do this, we need to update our facilities **from time to time**. ^{가끔 (이따금)} As a result, we are starting some construction projects today.

Some departments are temporarily moving during construction. The cardiology department is now in the basement across from the **radiology** and **pathology** departments. Obstetrics is on the second floor next to pediatrics.
