

SET 9- IDIOMS

In the future	미래에	
We don't know what will happen in the future.		
In the past	과거에	
In the past technology was simpler.		
At present	현재	
There is little we can do at present.		
Next time	다음번에	
Make sure you bring your book next time.		
Put down	내려놓다	
Please put down your pencils.		
Put off	미루다	
I will have to put off my holiday until next autumn.		
Put on	입다	
Why don't you put on the winter hat?		
Put together	조립하다	
I am putting together a study group, would you like to join?		
Put up with	참다	
You need to put up with others mistakes.		
Step by step	차근차근	
It is a step by step process.		
Little by little	조금씩	
Medicine is improving little by little.		
One by one	하나씩	
Lay the pieces in order, one by one.		
At first	처음에	
At first I was happy.		
For the first time	처음으로	
For the first time in my life I knew what was important.		
Before long	머지않다	
We will know the answers before very long.
